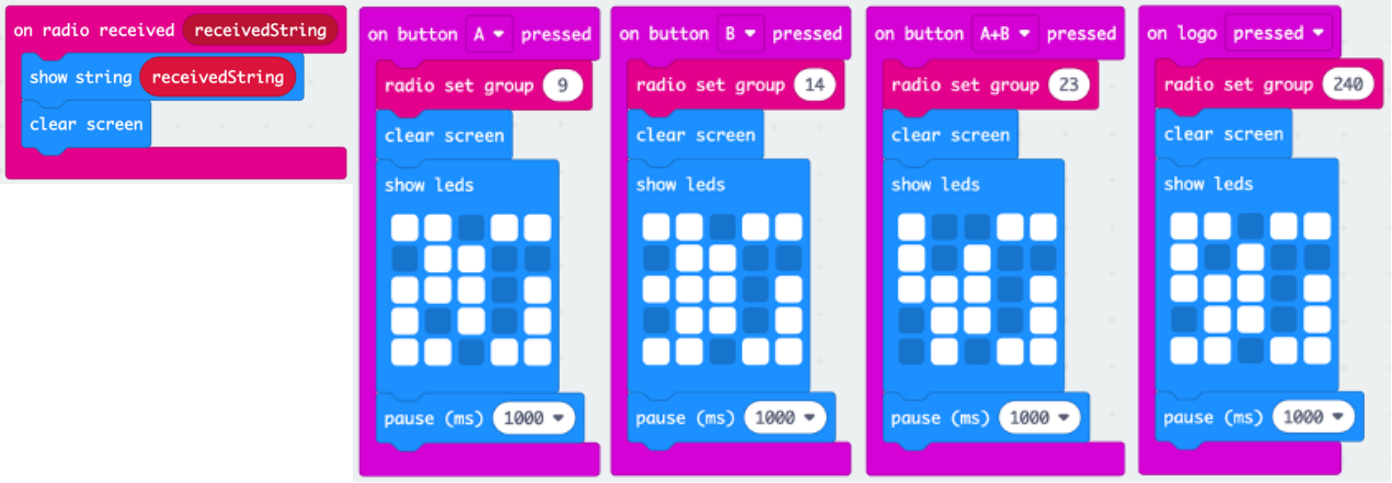
Networks and Communications

microbit Receiver Code



microbit Mobile Network

Use your micro:bit to gather the messages broadcasting from each tower!

Each tower is using a different generations of mobile network, so the speed and range may be different for each!

2G Tower

Use this space to write down the signal from the 2G tower:

Secret Messages

3G Tower

Use this space to write down the signal from the 3G tower:

4G Tower

Use this space to write down the signal from the 4G tower:

5G Tower

Use this space to write down the signal from the 5G tower:
